

# CALLING ALL MIDDLE & HIGH SCHOOLERS!

## **What Does Being Bisexual Mean to You?**

We're celebrating Bisexual Visibility and want to hear from YOU! If you're a middle or high school student with thoughts, feelings, or creativity to share, this is your chance to shine!

**The Safe Schools Project is dedicated to creating safer campuses for all students, including those who identify as LGBTQIA2S+.** Recognizing the limited visibility of bisexual issues and concerns within schools and the broader community, we are launching a campaign to raise visibility and to provide support for bisexual students.

Starting in 2025, we will begin showcasing your work throughout the year leading up to the Fall 2025 Queer, Trans, and Allied Student Summit of Monterey Bay in September 2025 and Bisexual visibility week, which is in October 2025.
